

## **Ten Little Babies With FASD**

© 2005 Teresa Kellerman

One little, two little, three little babies.

Four little, five little, six little babies.

Seven little, eight little, nine little babies.

Ten little babies with FASD!

First little <u>baby</u> has <u>every symptom</u>.

<u>Has a diagnosis</u>, got <u>into</u> the <u>system</u>.

<u>Qualifies for services and good intervention</u>.

<u>Lucky</u> little <u>baby</u> with <u>FASD</u>!

<u>Second</u> little <u>baby</u> is <u>taken</u> from her <u>Mommy</u>. Who <u>also</u> has un<u>diagnosed FASD</u>.

<u>She</u> cannot <u>care</u> for her <u>fussy</u> little <u>Baby</u>.

<u>Foster</u> care <u>baby</u> with <u>FASD</u>!

<u>Third</u> little <u>baby</u> is <u>staying</u> at his <u>Grandma</u>'s. <u>Jail</u> is <u>home</u> for his <u>daddy</u> and his <u>mama</u>. <u>Nobody sees</u> that the <u>baby</u> is <u>from</u> a <u>Seventh generation</u> of <u>FASD!</u>

Fourth little <u>baby</u> is <u>from</u> the reser<u>vation</u>.

Has a heart <u>defect</u> that <u>needs</u> an oper<u>ation</u>.

Will <u>cost</u> a million <u>dollars</u> be<u>fore</u> he is <u>age</u> ten.

Broken hearted <u>baby</u> with <u>FASD</u>!

Fifth little baby has a mom who's intelligent. Went to school, got a job, totally independent. Never knew that she would ever get pregnant. Surprise! She has a baby with FASD!

Sixth little baby was born looking healthy.

Doesn't have a sign of any disability.

Trouble lies ahead with invisibility.

Baby has a hidden form of FASD!

Seventh little <u>baby</u> is <u>fragile</u> and <u>tiny</u>.

<u>Can't</u> sleep, <u>can't</u> eat, <u>constantly whiny</u>.

<u>Someone's</u> going to <u>hit</u> her too <u>hard</u> on her <u>hiney</u>.

Another CPS <u>baby</u> with <u>FASD</u>!

Eighth little <u>baby</u>'s Mom <u>said</u> she didn't <u>have</u> any <u>Alcohol during</u> her <u>entire pregnancy</u>.

<u>But</u> we know <u>half</u> of all <u>pregnancies</u> are <u>probably</u> At risk of alcohol and FASD!

Ninth little <u>baby</u> is <u>sweet</u> and af<u>fection</u>ate. <u>Hugging</u> and <u>touching</u> will be<u>come</u> inappropriate. <u>Victim</u> and of<u>fender</u> the <u>court</u> will ad<u>judi</u>cate This <u>inno</u>cent <u>baby</u> with <u>FASD</u>!

<u>Tenth</u> little <u>baby</u> is <u>headed</u> for <u>trouble</u>
Un<u>less</u> we can <u>put</u> her in a <u>protective bubble</u>
A <u>circle</u> of support is <u>certainly</u> af<u>ford</u>able.
Let's <u>save</u> this precious <u>baby</u> with <u>FASD</u>!

Every little baby in our state should be Like the little ba-by who is born free Of the effects of alcohol if we Keep raising awareness about FASD
